

K-FORM

Crack Control PAVEMENT SYSTEMS

The award winning K-FORM is a “corrosion free” disposable formwork system that makes it simple to pour more concrete per day.

K-FORM is designed for pours of:

- 100mm thick concrete
- 125mm thick concrete
- 150mm thick concrete
- 175mm thick concrete

Easy to use with no need for specialised tools, K-FORM formers have ‘click together’ simplicity that save you time and money. Just set out your formwork and pour bay after bay. K-Form formers also have a removable top strip making it easy to seal concrete sections.

KF100 SCREED RAIL

*Designed for pours of
100 mm thick concrete*

KF125 SCREED RAIL

*Designed for pours of
125 mm thick concrete*

KF150 SCREED RAIL

*Designed for pours of
150 mm thick concrete*

KF175 SCREED RAIL

*Designed for pours of
175 mm thick concrete*

Features & Benefits

1. Saves time and money
2. Built-in expansion joint
3. Pre-drilled holes for dowel sleeves (300mm centres)
4. Removable top capping
5. Quality results and finishing
6. Durable UPVC
7. Lightweight - 80% lighter than steel formwork
8. Can be installed by one person (reduces labour costs)
9. Non-corroding; no metal parts
10. Fuel and oil resistant
11. Easy to seal concrete sections
12. Non-conductive
13. No diamond cutting
14. Made from recycled materials

Product Information

Product Code	Description	Pack Weight [kg]
KFORM100X1500	Former 100 mm x 1.5 m	3.0
KFORM100X3000	Former 100 mm x 3 m	5.9
KFORM125X1500	Former 125 mm x 1.5 m	3.4
KFORM125X3000	Former 125 mm x 3 m	6.8
KFORM150X1500	Former 150 mm x 1.5 m	3.9
KFORM150X3000	Former 150 mm x 3 m	7.7
KFORM175X1500	Former 175 mm x 1.5 m	4.3
KFORM175X3000	Former 175 mm x 3 m	8.6
KFORMDAKIT	Dowel Accessory Kit	5.0 / 1 kit

SPECIFYING K-FORM

Supply the following data when ordering:

1. Former height

- 100 mm
- 125 mm
- 150 mm or
- 175 mm

2. Former Length 1.5 m or 3 m

3. With dowel accessory kit
(if applicable)

**“CORROSION FREE
without the
increased cost!”**

NOTE: 1. Each length comes with Former Joint Clips.
- 100 mm and 125 mm Former – 1 Clip
- 150 mm and 175 mm Former – 2 Clips

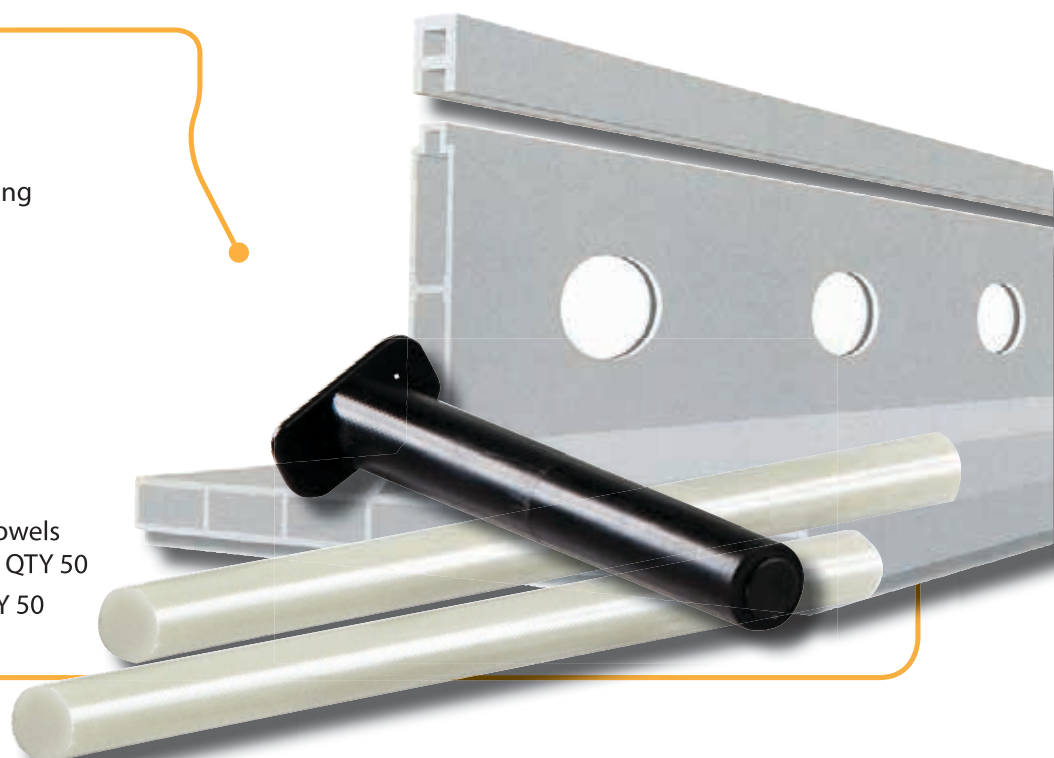

The System

Joint formers

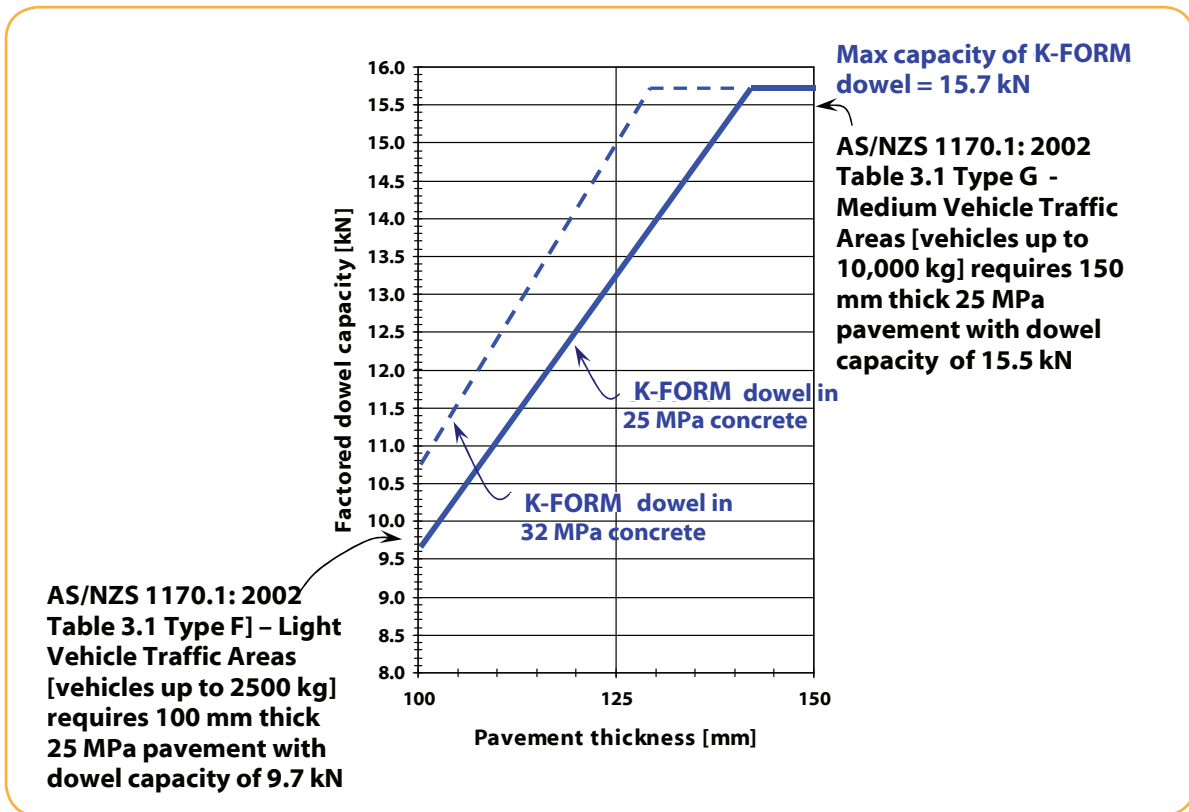

- UV stabilised PVC forms and capping
- Nominal heights of:
 - 100 mm
 - 125 mm
 - 150 mm or
 - 175 mm
- Supplied in 1.5 m or 3 m lengths

Dowel accessories kit

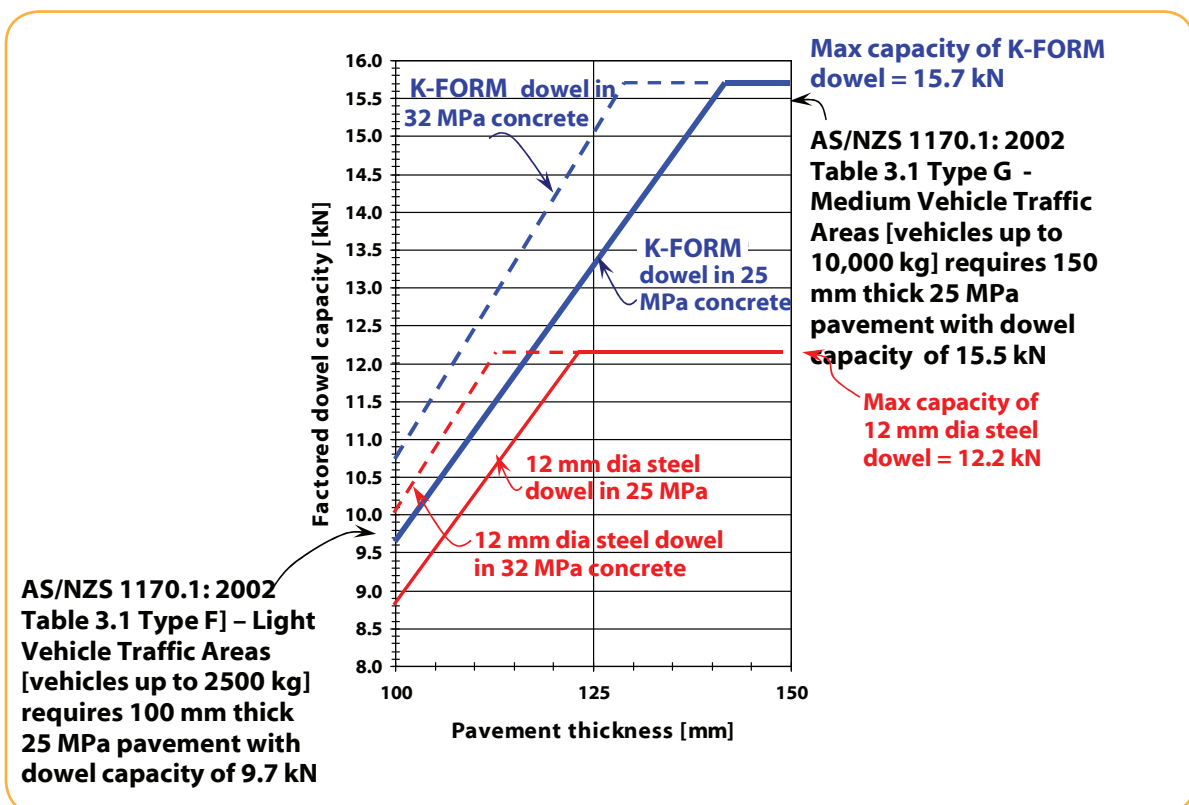

- Pultruded glass-fibre reinforced dowels (14mm diameter x 240 mm long) - QTY 50
- Polypropylene dowel sleeves - QTY 50
